

PLATINUM & ABOVE

JANUARY 2020

Platinum and above IBOs have been invited to physically test our new Amway website in January 2020.

Why?

- ✓ Test the new website before it goes live.
- ✓ Try our new IBO and VIP Client registration, purchase a product and view business information using the new website (in a test environment).
- ✓ Get familiar with the new website so you can help your downline from go-live (likely in March).
- ✓ Learn the major improvements so you are ready to benefit from go-live.

What's on the agenda?

- A two-hour, hands-on experience of the new site with testing on Amway computers.
- After a quick induction, you will sit down at an Amway computer and test the new website.
- Experience registration, ordering, Autoship, coupons, promotions and Business Metrics.
- Learn about all the support materials available to help IBOs.
- Provide us with any feedback (positive and areas to improve in the future).

How you can participate

If you are Platinum and Above, please contact your Sales or Account Manager to organise a time or to nominate digital savvy IBO in your downline to take your place.

Prepare for launch! Stay tuned to amway.com.au/betterbusiness and amway.co.nz/betterbusiness for news and updates.
