NUTRILITE[™]-Grown Ingredients

These extraordinary phytonutrient ingredients come from plants grown on certified organic NUTRILITE farms around the world. Each is fully traceable from seed to skin.

Acerola Cherry

NUTRILITE-grown at Fazenda Amway NUTRILITE do Brasil These cherries create an exceptionally anti-oxidant rich extract, bursting with Vitamin C and other phytonutrients.

Pomegranate

NUTRILITE-grown at Rancho El Petacal, Mexico We proved that our antioxidant-rich extract helps soothe and protect skin from irritation caused by 6 key types of pollution.

Spinach

NUTRILITE-grown at Rancho El Petacal, Mexico A powerful ingredient that helps amplify skin's natural ability to energize itself, aiding in the natural repair of damaged skin cells.

White Chia Seed

NUTRILITE-grown at Rancho El Petacal, Mexico One of nature's richest superfoods and Artistry[™] hero ingredient. Its phytonutrients help to visibly nourish and protect skin's healthy beauty.
