

CONGRATULATIONS ON STARTING YOUR VERY OWN AMWAY BUSINESS!

As an Amway Independent Business Owner (IBO), you now have exclusive access to our high-quality, award-winning products at wholesale cost. You now also have the opportunity to earn more money and be eligible for fantastic rewards. In fact, we have paid more than \$US 61 billion in cash and incentives globally to IBOs since our inception.

ARE YOU READY TO GET STARTED?

▶ **The first step is to try the products in your pack.**

It's simple – just add the products to your everyday living. For example, grab a can of XS Energy Drink instead of regular retail brands or replace your current retail brand of toothpaste with Glister.

▶ **The second step is to buy and share Amway products.**

Find products you enjoy and know other people will love too. Buy from amway.com.au or visit your local Amway Business Centre.

▶ **Log in and learn**

To support you, Amway offers a program to guide you through on your initial days in the business. Go online and download the Chart Your Course Kit from amway.com.au

▶ **Guess what?**

When you place your first order within 30 days of joining Amway and ensure it is of 50 Points Value (PPV) or more, you can qualify for a product coupon of \$50, \$100 or \$200. You only have 30 days to take advantage of this amazing coupon, so get in quick!

Browse through our online Product Catalogue to see what other Amway products are right for you, then to start buying, visit amway.com.au or your local Amway Business Centre*.

Importantly, your product purchases are protected by Amway's 90 Day 100% Satisfaction Guarantee. So if you're not happy, simply return the products for a full refund.

CONGRATULATIONS ONCE AGAIN. LET'S GET STARTED!
