Nutritional Analysis Report

Utilising the most up-to-date software your naturopath will help you understand the exact nutrient value of your daily diet. Using an app you can track what you are eating over a period of several days. This information is then downloaded to the naturopaths data based to provide an accurate breakdown of any gaps you may be facing in your current dietary plans.

The naturopath can then work with your specific results to improve your diet and nutrient intake to ensure optimal levels. You will receive a full report of this nutritional breakdown.

Terms and conditions

I voluntarily consent to receiving Naturopathic dietary and lifestyle advice and wellness checks ("checks") during a Naturopath Consultation with the Amway Naturopath.

I understand that these checks are focused on maintaining a healthy lifestyle and in no way constitute medical advice or treatment. I agree that I will not adjust prescribed medications or contravene medical advice during the course of my Naturopathic program, without the consent of my medical practitioner.

I understand that if I am suffering from a medical condition, I should consult a medical practitioner for diagnosis and treatment. I acknowledge that Nutriway Supplements are not intended for use as cures or treatments, but are designed to improve a diet that may be inadequate and thus assist in the maintenance of general well being.

I acknowledge that information is provided to the best of the knowledge and belief of the Amway Business Centre Naturopath. Amway of Australia / Amway of New Zealand accepts no liability for loss or injury suffered through the result of my contravention of the provisions outlined above.

I declare that I am over the age of 18 and have legal capacity to sign this Consent and Release Form in my own name.
